ALFAKLEEN CHEMICAL LABS

"Friendly Products for a Safer Planet" www.alfakleen.com

About Us...

AlfaKleen Chemical Laboratories, Inc. began producing biodegradable products in 1978, specializing in formulas designed for the United States Government, meeting tough military specifications.

Our products have been sanctioned by such organizations as GreenSeal, the United States Department of Agriculture, and the Food and Drug Administration, as environmentally safe products.

Our chemists are constantly forging ahead with new formulas and techniques that provide customers with the safest and most effective products, satisfying the consumers needs well into the 21st century.

If you have any questions, please do not hesitate to contact us...

Sincerely,
John Calicchio
President

AK-045, ScentMagic, Air Freshener

AlfaKleen's air fresheners leave behind a clean, fresh fragrance that doesn't just mask odors, but removes them by eliminating all odors caused by smoke, pets, musty & mildew odors, & more...

Professionals everywhere use AlfaKleen's Air Freshener. Kennel owners use it to keep their kennels free from unwanted pet odors. Vehicle care centers and car rental companies spray it in their vehicles for a fresh, clean fragrance. Hotel and motel owners find it works great for eliminating odors in bathrooms and guest rooms. Also used in nursing homes and hospitals because of its clean, fresh scent. Our air freshener is tough on even the strongest odors. Professional janitorial services use as a spray to keep their offices and other enclosed spaces free from musty odors. Whether you use it for your business or your home, AlfaKleen's Air Fresheners remove odors, while leaving a fresh, clean, scent.

Safe for use on: Tile, marble, wood, metal, rubber, plastic, paint, vinyl, chrome, glass, fabric, cloth, upholstery, carpet, and more...

Instructions: Simply spray desired amount into a room or vehicle.

Dilution ratio: Use full strength

BIODEGRADABLE, Non-Acid, Non-Caustic, Non-Corrosive,
Non-Flammable, Non-Abrasive, Non-Hazardous.

AK-013, GreenMagic, All-Purpose Cleaner, Ready-to-Use

GreenMagic, All-Purpose Spray Cleaner is the only product you'll ever need, to clean virtually everything in your home, outdoors, and office. Spray on linoleum in your kitchen or bathroom to remove grease and dirt. Use in your workshop and garage to break up oil spills and remove grease & grime. It's safe for use on cleaning upholstery, furniture and carpeting. Spray a little on a carpet stain or an upholstery stain and watch it clean, without harming the fabric. You can even use it to clean your woodwork.

If you're cleaning your kitchen, you'll need a product that will clean fingerprints off of your refrigerator, remove grease from your stove top, make your kitchen counters shine and even clean your no-wax linoleum floors. Our All Purpose Spray Cleaner does that and more! Take a bottle outdoors to clean your patio and deck furniture and to keep it free from mold and mildew. Workshops and garages will be clean from grease and oil, and so will your car! Not only does it clean all washable surfaces, but it's also biodegradable. This one product does it all! ***Leaves a Fresh Forrest Fragrance!***

Safe for use on: Tile, marble, wood, metal, rubber, plastic, paint, vinyl, chrome, glass, fabric, cloth, upholstery, carpet, and more...

Instructions: Simply spray on & wipe-off with clean cloth or paper towel. For heavily soiled areas, spray, let sit, then wipe-off.

Dilution ratios: Use full strength

BIODEGRADABLE, Non-acid, Non-caustic, Non-corrosive,
Non-flammable, non-abrasive, Non-hazardous.
