

Technical Data Sheet

ConcreteMagic

Concrete Cleaner

PRODUCT: ConcreteMagic is a concentrated and high performance liquid cleaner used for the general maintenance and cleaning of concrete. ConcreteMagic is an alkaline detergent, tough enough to dissolve all forms of oil, dirt, grease, and other soils from masonry such as concrete, brick, and cinderblock.

USAGES: Formulated for use on all concrete surfaces including: sidewalks, driveways, warehouse floors, and other masonry surfaces. Simply pour directly onto surface, or spray using pressure washer.

ADVANTAGES: ConcreteMagic's advanced industrial formula goes far beyond the scope of store bought products, which is based on AlfaKleen's philosophy of delivering quality cleaners that will out perform all competitive products. Contains no abrasives, bleaches or ammonia, leaves no stain or harmful chemical odor.

DIRECTIONS: Surface should be dust free and wet before use. For oil and grease: Apply and briskly scrub with non-metallic brush for 2 minutes, hose off with water using some brush agitation on spots, then hose off using highest pressure. Always test first on a small inconspicuous area.

SAFETY: NON-Toxic, NON-Flammable, NON-Abrasive. Our slogan says it all. AlfaKleen products are formulated as Biodegradable, that is, they are made safe for cleaning, safe to breathe, pet safe, and safe for all plumbing.

AlfaKleen was established in 1978, developing safe, effective, cleaning products, for the Federal Government. Our products are sanctioned by such organizations as GSA, FDA, USDA, GREENSEAL, and more. For additional questions, contact our technical support department.

SPECIFICATIONS: Part Number: AK-023

Color: _____	Orange
Odor: _____	Light Odor
Dilution Ratio: _____	Full Strength / 40:1
Drying Time: _____	2 to 5 Minutes
Coverage: _____	2 to 5 Minutes
Operating Temperatures: _____	40 – 125°F
Shelf Life: _____	3 Years Minimum
