

Start Your Own Home Business
Our Products Outperform All Others; Guaranteed!
Make Profits of Between 400% - 500%

AlfaKleen Chemical Laboratories, Inc. is a 33 year old manufacturer of biodegradable cleaning products. We are now offering an exciting new program to individuals who want to get the jump on starting their own home business. By receiving this turn-key opportunity you would be able to start making sales the very next day for products that everyone uses everyday with profits of up to 500%

Here's how the program works. We would supply you with the following:

- * A complete guide on ***how-to*** setup your business including: How to obtain your business license, tax exempt certificate, safety tips, and helpful hints from our companies' ***Trade-Secrets*** vault.
- * Marketing tips on where & ***how-to*** obtain sales from neighbors, trade shows & magazines
- * Technical support training outlining detailed ***step-by-step*** operations from start to finish

Lifetime Partnership with AlfaKleen Chemical Labs

\$5000 Onetime product licensing & setup fee which includes:

- 55-Gallon Mixing / Dispensing Tank
- Tank Dolly for moving Mixing / Dispensing Tank
