Dear Ms. Evangelista:

We were disappointed that as a Defense General Supply Center (DGSC) certified Quality Vendor you were unable to attend our DGSC Business Conference 1-2 May 1995 in Richmond, Virginia. The highlight of the conference was the honoring of our Quality Vendors with the presentation of awards by Rear Admiral Keith W. Lippert, the DGSC Commander. Enclosed you will find a plaque for your company like those that were presented at the conference, as well as a conference program. This plaque acknowledges your firm's accomplishments in providing DGSC with quality products in a timely manner.

We look forward to a continued good relationship with your company and to seeing you at our annual conference next year.

Sincerely,

2 Encl
