Dear Sir:

Please be advised that testing has been completed on your product Goldens Heavy Duty Industrial Cleaner with successful results. Therefore, your firm's name has been added to our list of approved bidders for GPO property numbers 176729 and 219738.

The listing of a product on the QPL signifies only that, at the time of examination and test, the manufacturer could make a product or family of products that meet the specification requirements. Inclusion of a product on the QPL:

a. Does not in any way relieve the supplier of his contractual obligations to deliver products that comply with all specification requirements.

b. Does not guarantee acceptability of products delivered under a contract.

c. Does not constitute a waiver of any requirement for inspection, for process control, or for maintenance of quality control procedures during production.

Your firm will be sent requests for quotations as our needs warrant. As always, your interest in our requirements is appreciated.

Sincerely,

Joan E Lombardo
