Subject: **Request for Approved Equal Status / IFB 3-00493**

Dear Sylvia:

We have received and reviewed the MSDS sheets you faxed to me along with a copy of an OCTD letter indicating we have already reviewed and approved your products. Our Safety Personnel has once again reviewed your products, AK-020 Heavy Duty Industrial Cleaner, AK-030 All Purpose Glass Cleaner, and the AK0-023 Concrete Cleaner, and has approved your MSDS sheets.

An addendum to IFB 3-00493 will be mailed no later than May 24, 1993 addressing the approved equal products submitted for review and any possible clarifications that need to be made regarding the specifications.

Thank you.

Sincerely,
